

# World Youth Day 2008, Sydney, Australia Accommodation

## Footprints Westend, Sydney

Sydney's ultimate funky backpackers hostel, Footprints Westend is the HMAA winner of the 2003, 2004 and 2005 Sydney's Best Backpackers award. It is just a five minute walk to the Sydney Central Train and Bus Station. St. Patrick's Catholic Church is very close to this location.

Footprints Westend has 13 floors with a total of 28 beds per floor in twin and double rooms and dorms. It is clean and well managed and is the only hostel in Sydney with private ensuite bathrooms in every room. There are two elevators.

Again, great location!
