

World Youth Day 2008, Sydney, Australia Accommodation

Sydney Central YHA

This multiple-award-winning hostel is one of the biggest and busiest in the world. Sydney Central YHA is in a historic nine-story building just a five-minute walk from Central Station, and combines old-world charm with state-of-the-art backpacker's facilities. Amenities include an Internet bistro, games and TV rooms, and a rooftop swimming pool, sauna and barbecue area.

Rooms are clean and basic. We will be using four-to-a-room, dormitory style rooms here. There are a very limited number of single or twin rooms with private facilities. There is a large area on the second floor suitable for meetings and also a meeting room on the top floor for up to 60 people, available for reasonable fee.

The Sydney Central YHA is accessible to travelers with disabilities.
