## The Sebel Pier One Sydney

Few places evoke the special atmosphere of style and sophistication that is to be found at Sebel Pier One. From the moment you enter, you'll discover the essence of Sydney's waterfront lifestyle. The Sebel Pier One is superbly positioned on Sydney's spectacular waterfront. It is a heritage listed building that combines heritage features with contemporary design and waterfront ambience, located beneath the Harbour Bridge in Darling Harbour.

Enter the lobby of The Sebel Pier One Sydney and immediately the beauty of this building's renovation is apparent, from the historic, exposed beams to the unique 12 square metres of glass floor that allow floodlit viewing of the harbour below.

A very unique hotel at a great price!
