## Best Western Hotel Unilodge

Best Western Hotel Unilodge reflects the charm of a bygone era while offering the modern conveniences of life in the new millennium. A stone's throw from the culinary delights of Glebe Point Road's restaurant district and famous weekend markets and only a short stroll from some of Sydney's most popular tourist spots, including Chinatown, Darling Harbour, the Powerhouse Museum and Star City Casino, Best Western Unilodge is a holiday sanctuary at the heart of the action.

Enjoy first class hotel recreational facilities including gym, heated lap pool, spa, sauna, tennis and pool tables. The hotel also offers café, meeting facilities, rooftop barbeque area and guest laundry.

This hotel is a mix of hotel and university residence. We have reserved twin, hotel-style rooms on four floors surrounding a central courtyard.
